

THANK YOU to all 12th Annual Red Green Regatta participants for supporting KUAC by entering this funtastic event. There were scores of creative entries and loads of smiles. Rather than a race, the Regatta is a flotilla of fun celebrating community spirit. Entries were judged on use of Handyman's secret weapon (duct tape), creativity and integration of the **Red Green** theme. Besides 1st through 5th places, four special awards were also given. Thanks to celebrity judges John Binkley, Wayne Clark, Dermot Cole, Jo Heckman, Phyllis Pendergrast and Karen Perdue. And of course Possum Lodge hats off to KUAC Leadership Council member Cap'n Chuck Lemke for powering the VIP pontoon and Lanien Livingston as official paparazzo.
